

INDIRA ARUMUGAM CHARITY TRUST

**ANNUAL REPORT
2021 - 2022**

INTRODUCTION:

The Trust was established in the year 1992 with the intention of helping the society in the fields of education, medicine and the development of the individual. The trust is running a school to impart quality education at low cost to the rural poor children of the village called Mangadu, and a Computer Centre, to provide high education, specially Computer Education to the poor and needy persons. The Trust is arranging medical camps to help the people who need medical care. It arranges rallies to educate the public against the use of plastics, burning wastes, breaking coconut and pumpkins on the roads etc. The public are educated about the rain water harvest, vermicomposting, environment safety and tree plantation and various other women developmental activities like self employment, women counseling centers etc.

It is a great opportunity for INDIRA ARUMUGAM CHARITY TRUST to put forth the Annual Report for the year 2021-22.

During this reporting period 2021-2022 our organisation was supported through Members' contribution, Volunteers collections, Business firms donations in kind/cash and General public donations.
